

A NEW WAY TO GIVE TO THE FOUNDATION --

The Library Foundation has become a sponsoring member of the Iowa Life Share Association, a non-profit group to encourage gifts of life insurance and other gifts through planned giving. Life Share works with professionals in all areas -- profit and not-for-profit -- to expand their knowledge and expertise in the area of planned giving and charitable estate planning. This association will provide new gift opportunities for our donors.

The Iowa Life Share Association recently notified our office that a client of Duke McGrath has generously donated a portion (\$12,500) of their life insurance death benefit to the Iowa City Public Library Foundation. McGrath, a Chartered Financial Consultant with Equitable Life of Iowa and an Agent Partner of the Iowa Life Share Association, incorporates the concept of charitable giving through life insurance into his regular business practice.
