To: Purchasers of Old Church Pews and Light Fixtures  
From: First Presbyterian Church

Dear Friends,

Old Brick Associates, who purchased the 26 E. Market Street building, as a part of the settlement agreement have requested the name and addresses of those who purchased light fixtures and pews, "to the end that the purchasers may be requested to sell or give back their purchase so that Old Brick may be more completely restored."

The Church's position on this matter is as follows:

- a. The purchases were made in good faith and are final and binding.
- b. The purchasers are under no obligation to sell or give back said items unless they desire to do so.
- c. The Church under no conditions will release the name of any purchaser without his/her written consent.

In order to ascertain your wishes in this matter we are writing you. If you do not want your name revealed, do nothing and the matter is closed. If, however, you are willing that your name and purchase be made known to Old Brick Associates, fill in the enclosed card and return promptly to the Church.

We hope you appreciate our position and efforts to maintain the confidentiality of those who made purchases. Thank you for your cooperation in this matter.

Sincerely,

Robert Cryder  
Clerk of Session
