

# SEE O. H. FINK FOR YOUR CIGARS

---

**H**E carries the largest line in Iowa, over 150 Brands to select from. Every brand is in favor with the public. Also the Greatest Variety of Pipes offered to the public, and Smoker's Articles. You can buy cigars at this store from 5c to 50c each.

---

READ the Primary Law published elsewhere in this issue of this paper, and then supply yourself with some of our fine cigars, and go and visit your friends. We have the kind that please. We have no favorites, we treat all with the best there is in the store.

OUR list of Good Articles is fully as large as any list of candidates that you might have spread before you on the Primary Ballot, and we feel sure that we have among them something that will please you. Come in and see.
