

"KEY" IN ON THIS:

Buy a piano "key" and help purchase the Tadashi grand piano for the library! Herb and Janice Wilson challenged the ICPL Foundation to match their donation by December 31, 1990, for the purchase of the piano. Mr. John Crawford met part of the challenge with a very generous contribution.

In order to finish paying for the piano and establish an endowment fund to ensure its proper maintenance and provide support for programs, we are announcing a new campaign.

The first 88 people or organizations to contribute \$50 to the piano fund will have their names inscribed on a piano "key" plaque. Some of our donors have purchased a "key" honoring their children or grandchildren.

For more information, contact the Development Office.
