

FOUNDATION SURPASSES ANNUAL GOAL - ELECTS 1991- 92 OFFICERS

At the annual meeting of the Board of the Library Foundation, announcement was made that the Foundation had passed its annual goal of \$40,000 by 19 percent. A special campaign for the purchase of the Tadashi grand piano was a success and marked with a reception. Donors to that campaign are listed on a plaque. The endowment campaign, nearly three-fourths complete, continues to strive for its million dollar goal by 1996.

Contributors to the mailings, telethons and campaigns will be thanked at the annual reception held at the Library September 8th and listed in the annual report.
