

CENTENNIAL ENDOWMENT UPDATE

by Debbie Sales

The Iowa City Public Library Foundation has raised nearly \$730,000 in cash and pledges towards the Centennial Endowment Fund's one million dollar goal. The income is used annually to support the library's materials budget.

Many individuals and groups have contributed \$1,000 or more since the drive began in 1986. They are recognized on the donor tree located in the College Street vestibule. These people have contributed since July 1, 1989:
