INSTALLATION, REPAIR

12 ranks were incorporated from a former Bennet organ
a Reuter console was installed in 1959
new relays, switches, and windchests were installed in the GREAT and
CHOIR in 1970
reservoir, tremolo in SWELL releathered in 1970

This instrument is used daily for services, programs and practice. It has
had consistent and capable technical care and tuning through the years.
The organ will be replaced as a part of a complete sanctuary renovation
project, commencing 1988.
